

Winter Folkstyle Tournament Guidelines

2019 - 2020

Summary of document items-

- Middle school division 14U* made-up of 7th & 8th graders born in years 2005-2006 & 2007. 6th graders can also be in the Middle School 14U* Division if their date of birth allows.
- Tournament sanction forms must be submitted at least 4-weeks prior to event, with number of wrestling surfaces to be used (mat size rules must be followed)
- All tournaments are pre-registration only. Absolutely no walk-ins.
- Only sanctioned USA clubs may pre-register wrestlers. Out-of-state wrestlers / clubs must contact the tournament director.
- Tournament registration fees are \$20 for the first family member, \$14 for the second family member and \$8 for the third family member and subsequent family members. - Madison weights will be used for all tournaments with the following exception-
 - Girls States and CO-Ed Intermediate 10U, Novice 12U and Middle School 14U* division state qualifier and state championship will follow the USA Wrestling weight classes for their age group.
- 4 or 5-man round robin bracketing will be implemented in order to improve tournament efficiency and allow every wrestler to get three (3) to four (4) matches, which should also be more competitive.
- Only Intermediate 10U, Novice 12U and Middle School 14U* wrestlers will need to “qualify” for the state championship held on February 23, 2020, four Sites to be determined and assignment of Clubs to each site will be determined by Mid-January 2020.

USAWCT is combining the Schoolboys and Cadets into a single category labeled “Middle School 14U*” division. This will reduce the confusion about the two age groups competing together or separately. This is applicable to only those wrestlers who are both born in 2005 and are in the eighth (8th) grade. The Middle School 14U* division will therefore include only those wrestlers who are presently in the 7th and 8th grade and have a birth year in 2005, 2006 or 2007. 6th graders can also be in the Middle School 14U* Division if their date of birth allows.

USAWCT will designate one Tournament each week to have Girls Divisions.

The Girls weigh-ins will be at 11am to 11:45, and wrestling will begin at 12:15 pm. The Girls division will have Girls division registration on the Website. If girls register for coed and girls’ division, only one fee will be collected.

A wrestler can only compete in one bracket for each session, either the morning or afternoon session. The only division that can wrestle in both morning and afternoon is the Intermediate division, because the wrestler can wrestle in the morning session as an Intermediate and move up one division to Novice for the afternoon session. The coach requesting the division change must show their current Wrestling Leader card. Therefore, this request cannot be made by anyone without a coach's card.

Bracketing:

Tournament committee strongly recommends that Mighty Mites 6U and Bantam 8U wrestle in four man round robin brackets. Intermediate 10U , Novice 12U and Middle School 14U* can be four or five man round robin brackets depending on the registration numbers.

When the 5-man (Maryland Crab) round-robin format.

- All wrestlers will be grouped by both age category and weight into 5-man brackets. Each wrestler will wrestle one-another giving each wrestler a total of 4 matches (round-robin format). There are many advantages to doing this. Everyone gets 4 matches.
- When using 8-man brackets with only 7 listed wrestlers the #1 seeded wrestler will only get two (2) matches. Wrestlers with lesser experience tend to only get two (2) matches too. The round robin format automatically gives these wrestlers a 100% increase in the number of matches. Wrestlers of equal caliber can be grouped together providing for more competitive matches. This should give everyone 4 competitive matches versus a #1 seed in an 8-man bracket who usually gets only one (1) competitive match.

It is a very easy format to operate. This will allow the tournaments to be operated more smoothly and in a timely fashion.

With only five (5) rounds the match-ups will be identical each week, each wrestler gets four Matches.

- Round 1- #2 vs #3 and #4 vs #5 with a bye to #1
- Round 2- #1 vs #4 and #3 vs #5 with a bye to #2
- Round 3- #1 vs #5 and #2 vs #4 with a bye to #3
- Round 4- #1 vs #3 and #2 vs #5 with a bye to #4
- Round 5- #1 vs #2 and #3 vs #4 with a bye to #5

With only three (3) rounds the match-ups will be identical each week, each wrestler gets 3 matches.

- Round 1- #1 vs #4 and #2 vs #3
- Round 2- #1 vs #3 and #2 vs #4
- Round 3- #1 vs #2 and #3 vs #4

In the event of multiple wrestlers with the same record, a tie breaker criteria is as follows:

- When only two (2) wrestlers have the identical win-loss record, the tiebreaker will be HEAD to HEAD results, therefore the one who won their match will be determined the higher place finisher.
- When three (3) wrestlers have identical win-loss records the following criteria, in order, will apply- MOST Falls, then MOST Technical fall, MOST major decisions (8 more points then opponent). Scoring total- the wrestler who had scored more points in their 3 matches regardless of the type of decision, fall, forfeit or injury default. In the event that each of the 3 wrestlers in the tie breaker all have a fall, then the least amount of time aggregate of the three will be the winner and will break the tie, then the other two placements are based upon head to head results.

Wrestlers , Coaches and Spectators Conduct--- This code of conduct has been established to ensure that there is a defined method for the handling of unacceptable conduct by coaches at USAWCT sanctioned wrestling events. The responsibility of the assigned officials and the USAWCT Board of Directors is described in this document.

If a wrestler is ejected from a tournament for Flagrant Misconduct that wrestler will be disqualified to wrestle in the next tournament. The Head Officials is to make the Officials Director and the State Chairperson aware of this ejection as soon as possible.

Symbolic Yellow Cards can be given to a coach by the official if a coach is issued a Warning.

Warnings are given for: 1) Questioning Judgment 2) Improper Action of a Coach

- As described by the current season tournament guidelines, policy on harassment and abuse or other applicable state or national guidelines.

Symbolic Red Cards can be given if a Coach is issued a Flagrant Misconduct. *If a Coach is issued a Red Card that Coach will not be able to participate in the next USAWCT tournament that their team is attending.*

Flagrant Misconduct is: 1) An act the Official judges serious enough to remove offender from the premises 2) As described by the current season tournament guidelines, policy on harassment and abuse or other applicable state or national guidelines.

3- Yellow cards in the same day will be considered a Red Card in which the Coach will not be able to participate in the remainder of the current or the next tournament that their team is attending.

4- Yellow cards during the season will be an automatic Red Card in which the Coach will not be able to participate in the next tournament that their team is attending following the day the third yellow card is issued.

If the Coach received 2 Red Cards in the same season this will be grounds for an Automatic Due Process Hearing as defined in the USAWCT Bylaws. If the Coach refuses to participate in the Due Process Hearing their coach's card will be automatically suspended for an entire year without appeal. Officials will fill out a form explaining the reason for either a yellow or red card.

Each club will be asked to designate a Head Coach for each Session of the Tournament for that Day. This will be done at registration.

Head Coach will be the point of contact regarding the conduct of their staff and fans.

Qualifiers Survey-

There will be a mandatory questionnaire sent to Clubs Director around January 10, 2020 requesting that each report the number of Novice and Middle School wrestlers from their club that will attend the qualifiers for the Kids State Championships. The Club Directors on the BOD will gather this information and remit it to the State Chairperson by January 19th. The tournament committee will then determine which Clubs will be at which Qualifying location. This determination by the tournament committee will be presented and approved or amended by the Board of Directors before January 26, 2020.
